The weekly session will be held every Sunday as follows :

Players will be informed of any training cancellation by email if KCC facilities are not available for our regular training.

The KCC Hockey Program is opened to all children of both KCC members and non-members. Due to a high demand and the limited size of the sports hall, enrolment will be on a first-come first-served basis. There will be a limit to the no. of intakes for the training sessions in all age groups.

Training groups will be drawn up by end of August and once a group is full, there will be a two-tiered waiting list - one for members and one for non-members, with KCC members list taking priority. No one will be allowed to join a group until a space becomes available regardless of their membership status. Successful applicants will be informed by e-mail once our coordinator receives your registration form or before your first training day. If you do not receive an email, you can assume that you are on the waiting list and will be contacted as soon as a place becomes available.
