

A Team

We have played four games before holidays break, losing the first, drew the second, winning the third and again losing the fourth in the First Division. The start was not as good as I expected, but the team managed to keep up the team spirit. We are currently 5th in the First Division. We still have to play three games at home and two games next door. I am still confident that our players will have got better results by the time I report next month.

Chinese New Year is just around the corner and I would like to wish "Kung Hei Fat Choy" to you all. May the Year of the Tiger

bring you and your family much happiness, prosperity and good health.

B Team

Continuing this year's Winter League games, we played strong and bounced back from our unfortunate loss in the first two games.

Our third game this season was played at home against HKFC-C. Gary's rink started strong and stayed ahead throughout the game gaining a win of 30-14. Andrew's rink also came away with a solid win of 24-15. On the other hand, Dickson's rink started weak but began catching up after the tenth end. Unfortunately, they lost 15-

19. Our final result was a win of 6-2 against HKFC-C.

The fourth game played away against CLP-A also showed a convincing desire to achieve a higher standing within the table. Andrew's rink was up 8-nil by the end of the fourth end, and continued to lead the game finishing with a 27-6 victory. Dickson's rink had a rough start losing 1-8 by the end of the fifth end, but caught up to a close win of 16-15. We finished with a stable win of 6-2 facing CLP-A.

Our next two games will be played at home against USRC-A and an away game against TPLBC-A at Tai Po. We hope to continue to keep the momentum for the rest of the season.

C Team

The C Team started the season well with an exciting 6-2 win away at Tai Po and the celebrations continued the following week as we played an away game at CCC and thrashed them 8-0.

The next week with a few players taking time off for Christmas celebrations we had a hard battle with the Police and drew 4-4.

The team then took time off for seasonal celebrations and returned on a somewhat cold windy day to draw an away game 4-4 at the Filipino Club.

Our team is currently no. 3 on the league table, both Raju and MC Yau are sharing the top spots on the KCC players table.

In the Club competition, Dave Downs won the Men's pairs on 23 December with Don McNeill, beating two A Team players in the final.

LADIES' CORNER

Ladies' Club Pairs 2009

Congratulations to Elizabeth Cormack and Celena Kwok for winning the Club Pairs final. A very exciting game against Sanie Ng and Flora Tam.

D Team

The Ds are struggling and still looking forward to their first win. So far, the team played one game in January resulting in 2 points. Hopefully they will acquire more experience and knowledge of each other's strengths during the winter season. The Triples League usually is a good preparation for the Premiers, especially when higher division players help out the Ds and Es. Special thanks to Mr Anderson and Mr Jackman for helping out with the team. Good luck to all bowlers and a prosperous Year of the Tiger to all KCC members and their families.

E Team

It was either an exciting and tiring holiday or an uneventful holiday for some of the bowlers. The Es played poorly and managed to get only 1 point from the first game after the break. There are still 3 more games for January. The Es should be in form for the next game and hopefully continue performing well for the rest of the Triples season. Now, the main task is to get a second place finish and a better feel of the game before the Premiers start in the summer. Wishing all members a healthy Chinese New Year.
