Name: _____ A/C No. _____

Seen in Hong Kong

You may have noticed a shiny black people-mover driving around T.S.T. sporting the personalized number plate **STRAW**.

I wonder if the owner realises that whenever he drives behind another car, that driver will read the plate in his mirror as **WARTS**!

If you have any similar observations e.g. odd shop names, menu bloopers, etc., please let Charmaine or me have them to include in future magazines.
