

Dear Members,

The New Year's Eve Ball – A Night at the Oscars was a sell-out smash hit event and the party continued well into the wee hours of the morning.

As usual, on the 1st of January the sun broke through the clouds to witness the 96th Children's Sports Day. It was a great day with families out in force to enjoy the games, the races, the sunshine and, of course, the "Naughtee Coffee" stall had its usual attraction during the day. A special 'Thank you' to Gay Thompson and her colleague David who flew in from Australia the night before to assist with the races. As usual, the event went like clockwork. Again, a special 'Thank you' to all the volunteers who assisted during the day in one capacity or the other.

The long-planned office renovation will take place in March and during that period the office will relocate to the Aerobics Room and we do apologise for any inconvenience that may be caused to users of the Aerobics Room as a result.

### Points for Consideration

Members are reminded that if areas of the ground are cordoned off, the area is closed for a reason and Members and

their children should refrain from using that area.

### Car Park Labels

Members are reminded that if you have not renewed your labels you cannot park in the Club car park. You may collect your labels from the General Office or after office hours from the Pro Shop.

### Guests

It has been brought to my attention that some Members are bringing in guests without signing their guests in, ordering food and then leaving them in the Club unattended. Anyone who is found to be in breach of the rules shall be referred to the Discipline Sub-committee

### Mobile Phones

Members are reminded that PHONES must be on VIBRATE or SILENT when entering the Club premises. You may NOT ANSWER your PHONE in any indoor area of the Club. Violation of this Club rule will make you liable to a fine of HK\$500. This applies to Members and their guests. If anyone is found walking out of the indoor area of the Club while using the mobile

phone, please note that this is an offence and the Member's account will be fined. If anyone is rude to the staff when being informed about mobile phone abuse, the matter will immediately be reported to the Discipline Sub-committee.

### Rugby Sevens Tickets

We have been informed that this year KCC will not have any allocation of Rugby Sevens tickets due to the high demand for them as the number of rugby clubs in Hong Kong has grown rapidly over the past few years.
