## A Team

I am happy to be selected as A Team captain for this season and would like to thank members of the section for allowing me to take this position, I will do my best to maintain our A Team in the top position.

Judging from the great success of last season, I have full confidence in our A Team players. Although we may have a very competitive season ahead, it will be our challenge.

It is my target to win both Winter and Summer Leagues this season. In order to meet this goal, I will pick up the best available players. I will discuss with the skips though I retain the final decision. Unfortunately, we only need 9 players in the Winter League which means several who played in the last Summer League have not been picked. I hope these players will continue to play for other teams and will come back to our squad when

the Summer League comes around in next Summer.

There is not too much comment at time of writing as we have only started the first game away CCC. Hope to give you a more comprehensive and favourable comment in the next issue after a few games.

In the meantime, should any of you have any constructive ideas which might help me in my role of A Team captain, please contact me in person and I am happy to hear your voice of different opinion.

Wishing all of you and your family a Merry Christmas and a Happy New Year!

## B Team

Being the B Team captain for the first time, I would like to thank all bowlers for their support, especially to the B Team players

who may have to suffer this year with an inexperienced captain. For the coming year, I would need your continued support and advice for getting a better position in the table for both winter and summer leagues.

At the beginning of winter league, we missed a few bowlers to play for us in the first two games, as they were either engaged personally or were helping in the 2009 East Asian Games.

In the first game against STSA-A at home, Andre's rink was 22-22 tied after the seventeenth end, and unfortunately fell short, losing 22-24 at the end. The final result of the first game is with a nil-8 lost to the hand of STSA-A.

For the second game against CCC-B at home, we hope to gain some points in order to climb up the table. Gary's rink, after the second end, was up with 3-2 and continued to lead the game until a 20-16 victory. Dickson's rink managed to get a

## LADIES' CORNER

Happy New Year and all the best for 2010.

### Ladies Triples League 2009/2010

At time of writing, both the As and Bs have had mixed results in their first three games... picking up 12 points and 10 points respectively.

Both As and Bs are in the middle of the ladder with six more games to play.

### The 8th Asian Lawn Bowls Championship 2009

The 8th Asian Lawn Bowls Championship was held in Shenzhen, China between 4th and 9th in December 2009. There were 10 Asian countries with over 150 participants including players, team managers, presidents of the national

lawn bowls authorities and government officials attended this event.

Congratulations to Celina Kwok for winning the silver in the HK Women's singles.

Keep up the good fight and wish everyone good bowling in 2010.

draw at the end. This ended up a 3-5 lost to the hand of CCC-B

Our next game will be at home against HKFC-C, then followed by an away game with CLP-A. The next two games are important for the team. If we are to maintain a better position in the table, our team needs to get more points from them. Hopefully by the time you read the next issue of the magazine, I will have good news for all of you.

## D Team

It felt like summer, a summer night to be more precisely. The Ds first game was rescheduled to an evening game. It was not just the muggy, hot and breezeless night but also our result reflected our Premier League performance. Is this greenie disappointed? Not at all, the Ds were a bit out of form and barely lost. Raymond "Yes, Suspenders" L had a convincing win with

the support of Brian "I Don't Know What the Fuss Is All About" H and Donald "Now Listen" Y. Bharat "A Man for All Reasons" G came back from 16-5 (after 13 ends) to loose by 1 shot in the end. As for yours truly – who should have played as well as the two front bowlers – apologies to Fred "The It Man" C and Louis "He Says He Can" Cook. Surely, from the first game performance, the Ds will have many wins in the Triples.

## E Team

We are the champions... my friends... and we will.... After the first two games, the Es should be proud. For both games, the weather was very different – from a cold and windy day to a warm and humid day. The Es are looking forward to playing the next two games indoors... or maybe not.

In the first game, the team soundly beat the visitors with one rink losing to a very

strong opposing skip. May I suggest to the losing skip to do some stretchings or get a massage before a game. A special thanks to Eric "The Red Star" W and Dick "Certainly, Why Not..." B for helping out.

In the second game, age and new bowlers made an impact on the outcome with two players having more than double the experience on and off the greens than most KCC bowlers have and two new bowlers for KCC – a warm welcome and thanks to Rob Gill and Neil McCabe. Again 2 Cs players helped the Es. A special thanks to Brian C and KC "You Owe Me 4" Shing.

The Es are in good form and looking forward to more wins and fun.

The Es send their best wishes to all for the New Year.
