

# Children's Sports Day

2 January 2012

Changing from tradition this year the Club decided to hold its annual Children's Sports Day (and the 98th since its inception) on 2 January this year, thereby giving those patrons who had been out celebrating New Year's Eve a much-needed break, this was especially appreciated by the Club staff. The day was a brilliant success with many more children and family attending the event and once again special thanks must go to Gay Thompson and her colleague David who come in and run the event each year. Likewise, thanks to all the Members who come and assist in the event and make it what it is – a great and successful day!

The youth hockey section continues to provide support at this event and at other various events during the course of the year and by doing so greatly contribute to the success of these events. The youth who assisted this time were: (Boys) Siddick Khan, Khalis Lai, Fahim Khan, Tom Au and Jasper Au. (Girls) Tiffany Chan, Kirsten McNeil, Jasmine Au, Anusha Muthya and Ankita Muthya

This was the 98th Children's Sports Day and I am sure that the GC will be forming a new sub-committee to plan for the 100th Children's Sports Day which isn't that far away and any assistance from Members will be greatly appreciated. Keep an eye out for such announcement in the Club magazine.
