

BRIDGE

with Raju Ramchndani

With the Soccer World Cup in progress there has only been a handful of bridge matches played this month. Not much has changed in the leader board with KCC A leading comfortably, followed by Recreio A and Gold Coast.

Just as we have seen some major upsets at the World Cup, with Germany losing to Serbia, Spain to Switzerland and France to Mexico, we have also seen some upsets in Bridge lately. IBA beating LRC in the Knock-Out match and then holding Gold Coast to a draw in the league. Recreio B beating Gold Coast in the league. Who is the next victim?

The Standings as at 21 June 2010 are

	Games Played	Points
KCC 'A'	5	122
Recreio A	4	90
Gold Coast	4	79
IBA	4	72
Rotary	6	66
LRC	4	62
HK Club	6	61
KCC 'B'	4	56
Recreio "B"	5	50
Helena May	4	25
Country Club	2	22

Since many members are away for the Summer break we will not give any bridge lessons in this issue.

Bon Voyage, Rafik

Last month the Bridge Section held a party for Rafik Fidahusseini who is migrating to the UK in July. Rafik has been a member of the Club for many years and plays for the KCC B team in the bridge league. A talented bridge player who could teach you a thing or two about defense.

We will miss Rafik very much, especially at the Tuesday bridge.

All the best, Rafik in the new phase of your life.

If anyone is looking for a Bridge partner for Tuesdays, please contact the reception and leave your name and contact number. We will do our best to find you a Bridge partner.

See you all at the Bridge table on Tuesdays at 7 pm.
