

STUllPS

General Manager's Column

Dear Members,

A number of planned projects have come to completion recently, including the facelift of the Coffee Shop. The first batch of new outdoor furniture has arrived outside the Coffee Shop and the furniture for the Pavilion balcony is expected shortly.

During March, the General Office will relocate to the Aerobics Room to allow for a much-needed facelift to the office and this will take three-four weeks to complete. We do apologise for any inconvenience caused during this time, particularly to the regular users of the Aerobics Room.

March already, and the year is in full swing with regular events such as Quiz Night on 5 March where the brains of KCC lock horns with the Quiz Master, Archived Owl and his two cohorts Obnoxious Bazz and Bertie Brothel.

The annual Mini Hockey Tournament is on Sunday, 7 March. This year, we are planning a few new events such as Party in the Park with the Stray Cats on 20 March – be sure to get your tickets for this event; it is selling fast!

A little later in the year, we are planning to find out just who has talent in KCC with an exciting family event. Come along and display your talent to fellow members at the KCC's Got Tal-

ent Quest Night on 12 June in the Coffee Shop. Adults: HK\$100; Children, 12 and under: HK\$60. Book at the F&B office and let us know if you are going to share your talent with us.

With the flurry of activities and sports in the Club, we remind all Members and their guests not to leave your valuables unattended. Any member who plays sport must remember that they must provide their own insurance in case of injury.

The General Committee, mindful of bad debts, has advised Club management that any purchase over HK\$5,000 must be settled at the time of purchase, particularly in the case of purchasing fine wines from the Pavilion. Likewise, when booking a party or function at the Club a 50% deposit will be required to confirm the booking; a further 25% deposit will be required one week before the event; and the balance on the evening. Members may settle these bills by credit card if they so wish.

Sadly, a number of our staff have left or are leaving us this month either for personal reasons or for further studies and we wish them well for the future.

Points for Consideration

Parking

Members are advised to be patient and courteous when entering the car park. Drive slowly, do not cut corners when going up or down the ramps and be consid-

erate when parking. If you have trouble parking, please advise the car park staff of your situation and they will contact you when the parking congestion eases in the car park so that you may then park properly. Likewise, if you have any issues in the car park, please contact management rather than be abrupt to the car park staff or Members.

Put newspapers back after reading

The Club provides a wide range of newspapers and magazines and in the interest of other Members please be considerate and return them to the magazine rack when you are finished with them.

As always, I look forward to seeing you around the Club.
