

A Team

2011 Men's Premier League

The beginning of the second half has got off to a great start with 8-0 wins over KCC B and HKFC A and a 6-2 win over KBGC A. Well done, team!

The first win over the B Team was bitter-sweet, because we most definitely needed to take maximum points in our quest to win the league, but it unfortunately made it all the more difficult for the B Team to escape the grips of relegation.

The win over Football Club kept us fully on track, and the win over KBGC A this past week put us right back in contention, and with the Police losing at GLBC it means just 3 points are separating the top three teams. At the time of writing this article, KCC A are on 69 points, KBGC A are on 70 and Police are on 71.

As we close nearer to the end of the season, every game becomes crucial, however this coming week (10 September) sees us playing away at Police and a chance to help our cause no end. We have fantastic team spirit and depth in the team, which means we are able to cover almost any eventualities.

With 8 out of 12 players having played the full compliment of games so far, and 3 of the remaining 4 players only missing one game, the consistency is really showing and working wonders. Well done and thank you to all the A Team players, including the subs for a great effort so far. Let's take it all the way and once again put KCC on the winner's podium on 22 October.

See you on the greens.

B Team

Having finished the first half season games, we are in an unfavourable position to stay at Division 1. However, I must again thank all the B Team members who have been playing very well, enjoying each game and demonstrating sportsmanship. I am glad to report that our team won 6:2 in the game against IRC on 10 September... we need some more points to keep us in Division 1!

C Team

The C Team started reasonable well in the second half, scored 9 points in the first three carpet games. Eventhough we are still at the bottom of the league table, but are within reach of the three other teams placed above us.

The team managed to lift its overall performance and spirit after the joining of both Dave and Alex, and an occasion games played by Anthony. Thank you Dave, Alex and Anthony.

On the social side, we went for a night out at the Fat Angelos before the start of the second half. It was well attended, the food was good, the wine was excellent and the fellowship was great.

Roger

D Team

The second half of the season started well for us as we registered three victories in a row, identical 6-2 victories over SBSC-B (at home) and CELBC-A (away) and a 7-1 win over IRC-C (away). These three victories have lifted our spirit with all our rinks performing well. This has shown that with the right combination team work and fighting spirit, we can achieve better results. Let's hope we can maintain this momentum in our remaining games.
